POWAI

TOWER 2

Representational Image

SET BY THE LAKE, SHAPED FOR AN

Elevated

WORK LIFE

Some settings do more than surround a workplace. They alter its rhythm. By the lake, work finds its own rhythm, bringing clarity to your thoughts, lightness to conversations and a certain ease to your workday. The mind settles differently here, away from the usual strain of the city. What emerges is not just a better view, but a rarer way to work.

WHERE LAKESIDE RHYTHM MEETS
THE FLOW OF

Business

The calm of the lake carries forward, extending into a campus designed to translate that clarity and ease into a more complete way of working.

Actual Image

AN INTEGRATED ECOSYSTEM FOR MODERN

Enterprises

At the Cignus Powai campus, business is part of a larger, more complete world.

Workplaces, hospitality, convening extended stay, and everyday ease come together in one seamlessly composed environment.

This is not merely an address for work, but an ecosystem designed to keep enterprise moving with greater fluidity, continuity, and confidence.

The result is a campus that feels whole, enabling organisations to perform, host, and grow within a setting of rare completeness.

Actual Image

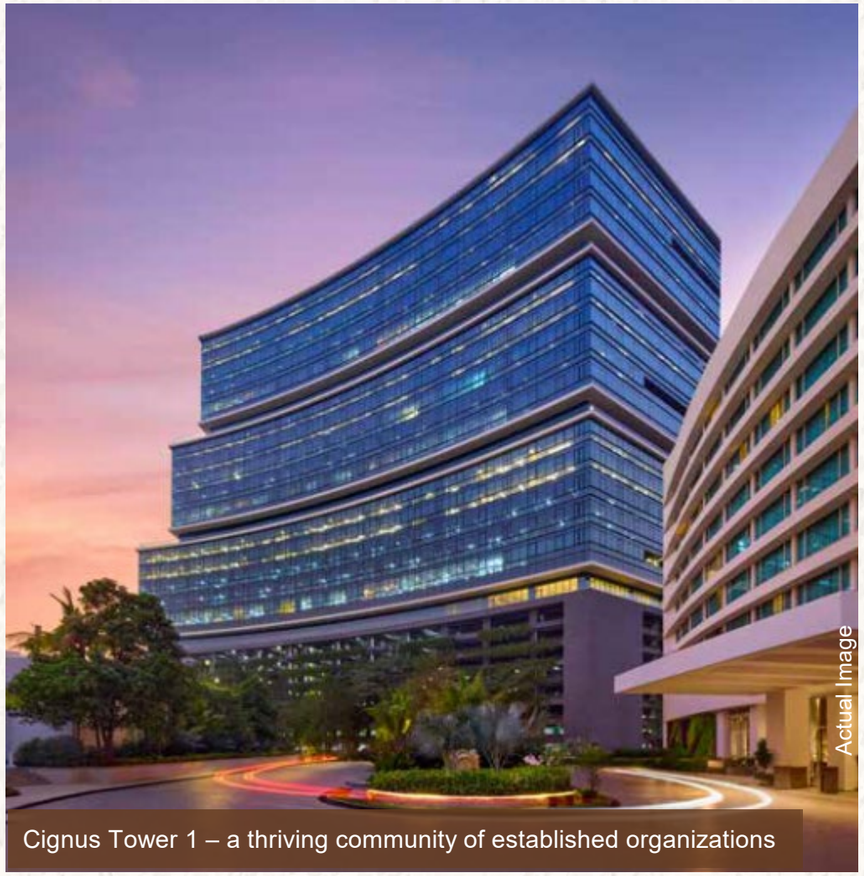

OFFICES, REIMAGINED INTO A BUSINESS

Experience

At Cignus Powai Campus, every aspect of business is brought closer, enabling faster decisions, and more effective outcomes.

Convention Centre – for large-scale events and conferences

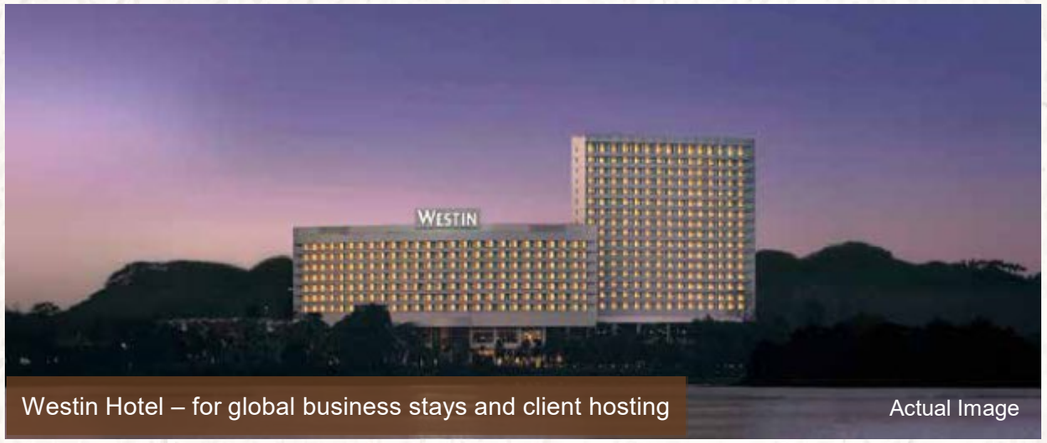

Cignus Tower 1 – a thriving community of established organizations

Executive Residences – for long-term business needs

Actual Image

Westin Hotel – for global business stays and client hosting

Actual Image

This is where business and lifestyle are no longer separate decisions.
They’re built into the same address.

Cignus Tower

OUR CHAPTER OF SUCCESS

Actual Image

Artist’s Impression

Cignus Tower 1

has established Powai as a class-apart commercial address, bringing together landmark architecture and a more evolved approach to workplace culture in Mumbai.

Its standing was further affirmed with the ‘Iconic Luxury Commercial Project’ recognition at the

ET NOW Realty Conclave & Awards West India 2026.

Artist's Impression

Set by Powai Lake, Cignus Tower 2 sets within an established business ecosystem, where workplaces, hospitality, extended stays, and large-format spaces operate at scale.

With Cignus Tower 1, The Westin, Marriott Executive Residences, and a Convention Centre forming part of its larger setting. This is more than a commercial address, it is an integrated world designed for seamless working, hosting, experiencing and staying.

Cignus Tower 2 brings together high-performance infrastructure and a calmer, more composed work environment, offering businesses the clarity and headspace required for meaningful decision-making and long-term growth.

- Premium office spaces designed for seamless operations.
- Positioned within the heart of the Powai business ecosystem.
- A sophisticated alternative to dense, conventional commercial districts.

Artist’s Impression

INTUITIVE DESIGN.

Optimised

FUNCTIONALITY.

The architecture of Tower 2 is characterised by a curved glass façade that mirrors the lake's tranquility while providing highly efficient internal layouts. Every inch is engineered to be flexible, ensuring the building adapts to the evolving needs of modern enterprises.

- Efficient floor plates for maximum space utilisation.
- High-efficiency vertical movement and climate control systems.
- Future-ready infrastructure capable of supporting high-density requirements.

BUILT WITH PLANET

Consciousness

Sustainability is embedded into the core operational framework of Cignus Tower 2.

Thermal Comfort & Indoor Environmental Quality

Fresh air systems with CO_2 sensors ensuring optimal air quality.
MERV-15 filters enhancing indoor air filtration.

Heat Island Mitigation

High Solar Reflectance Index (SRI) roofing and paving materials reducing heat absorption.

Materials & Resources

Use of recycled, locally sourced, certified green materials.
Centralised waste collection and segregation.
On-site organic waste composter.

Universal Design & Inclusivity

Spaces designed for accessibility, safety and inclusivity.

Representational Image

ENERGY SYSTEMS

Designed

FOR LONG-TERM EFFICIENCY

- Proposed ~55 kWp on-site renewable energy systems with the potential to offset ~68 tCO_2 annually.
- Optimised façade and roof systems reducing heat gain and overall energy demand.
- Integration of Green Power Supply for sustainable and carbon-neutral operations.
- Digital energy and water metering enabling real-time monitoring and management.
- Provision for EV charging infrastructure supporting low-emission mobility.

Representational Image

WATER INFRASTRUCTURE

Crafted

FOR LONGEVITY

- On-site Sewage Treatment Plant (STP) enabling treated water reuse for landscaping and flushing.
- Low-flow water fixtures reducing freshwater consumption.
- Native and drought-tolerant landscaping minimising irrigation demand.
- Rainwater harvesting system supporting groundwater recharge.
- High-efficiency water-cooled chillers enhancing HVAC performance.

LAST MILE

Connectivity

BUILT WITHIN CAMPUS

At Cignus Powai, connectivity does not end at the edge of the campus.

The Cignus Connect programme extends that ease into the final stretch of the journey, ensuring that the calm of Powai remains seamlessly linked to the city's larger transit network.

Shuttle every 15 minutes to the Saki Vihar road.

Hourly shuttle to the Aarey JVLR metro station.

Hourly shuttle to the Ram Baug & Saki Vihar Metro Stations (once it is operational)

Powai

WHERE BUSINESS MEETS BALANCE

A RARE LIVE–WORK–PLAY ADVANTAGE

What sets Powai apart is the completeness of the experience around work. Unlike traditional CBDs, it places business within a setting that feels more balanced, more convenient, and more liveable. For organisations, that translates into stronger talent appeal and better long-term retention.

- High-quality residential developments within close reach.
- Retail destinations and fine dining nearby.
- Open green spaces across the wider precinct.
- Access to high quality talent pool.

Representational Image

A CONNECTED ECOSYSTEM,

Beyond

THE WORKPLACE

Set within one of Mumbai’s most complete and liveable business districts, the address sits close to premium residential neighbourhoods, leading schools and institutions, hospitals, hospitality, and everyday social infrastructure.
